

Coastal Biodiversity Survey

<http://cbsurveys.ucsc.edu/>

Voucher specimens were collected from 12 survey sites between November 2002 and July 2003. Sites sampled between 2001-2002 were sorted into regional groups based on biological similarity. Representative sites were chosen for the voucher collection. A sample of each species included in the Survey data was collected. Samples of algae were pressed and are housed at the University of California Berkeley Jepson Herbaria. Photographs of the pressings may be viewed at:

<http://cbsurveys.ucsc.edu/surveydesign/vouchers.html>

Invertebrates collected are preserved in 95% ethanol and are housed at the California Academy of Sciences. Sensitive species were not collected, large species such as sea stars and anemones were photographed instead of collected.

Prisoner's Harbor, Santa Cruz Island, California

Species collected April 20-21, 2003 and January 14, 2004

| | |
|---|--------------------------------------|
| <i>Acanthina</i> sp | <i>Mytilus californianus</i> |
| <i>Amphissa versicolor</i> | <i>Nucella emarginata</i> |
| <i>Balanus glandula</i> | <i>Nuttallina californica</i> |
| <i>Bugula</i> sp | <i>Ocenebra atropurpurea</i> |
| <i>Ceratostoma foliatum</i> | <i>Ocenebra circumtexta</i> |
| <i>Ceratostoma nuttalli</i> | <i>Pachygrapsus crassipes</i> |
| <i>Chthamalus</i> sp | <i>Pagurus hirsutiusculus</i> |
| <i>Conus californicus</i> | <i>Pagurus samuelis</i> |
| <i>Fissurella volcano</i> | <i>Paraxanthias taylori</i> |
| <i>Haminoea virescens</i> | <i>Petrolisthes</i> sp |
| LBL (little black limpet) | <i>Phragmatopoma californica</i> |
| <i>Lepidochitona hartwegii</i> | <i>Pollicipes polymerus</i> |
| <i>Lithophaga plumula</i> | <i>Pugettia producta</i> |
| <i>Littorina keenae</i> | <i>Pugettia richii/gracilis</i> |
| <i>Littorina scutulata</i> | <i>Septifer bifurcatus</i> |
| <i>Lottia austrodigitalis</i> | <i>Serpulorbis squamigerus</i> |
| <i>Lottia limatula</i> | <i>Spirobranchus spinosus</i> |
| <i>Lottia paradigitalis/strigatella</i> | <i>Strongylocentrotus purpuratus</i> |
| <i>Lottia pelta</i> | <i>Tegula funebris</i> |
| <i>Lottia scabra</i> | <i>Tetraclita rubescens</i> |
| <i>Mitra idae</i> | |
